**CABELTEL INTERNATIONAL CORPORATION
REPORTS FIRST QUARTER 2008 RESULTS**

Dallas, Texas (Business Wire) May 15, 2008: CabelTel International Corporation (AMEX: GBR, "the Company"), a Dallas-based company with investments in a retirement center and oil and gas leases, today reported net income of \$56,000 or \$0.04 per share for the three months ended March 31, 2008, compared to a net loss of \$427,000 or \$0.43 per share for the same period in 2007.

For the three months ended March 31, 2008, the Company recorded revenues of \$704,000 from its retirement property compared to \$721,000 for the three months ended March 31, 2007. The Company's retirement property is fully occupied and it is anticipated that it will remain so during 2008.

For the three months ended March 31, 2008, operating expenses and lease expense at the retirement property were \$551,000 as compared to \$560,000 for the three months ended March 31, 2007.

For the three months ended March 31, 2008, corporate general & administrative expenses were \$261,000 as compared to \$209,000 for the three months ended March 31, 2007. The increase was due to increases in professional fees.

For the three months ended March 31, 2008, interest income was \$52,000 compared to \$29,000 for the three months ended March 31, 2007. The increase is due to the Company's increased investment in interest bearing notes.

The Company recorded interest expense for the three months ended March 31, 2008, of \$162,000 as compared to no interest expense for the same period in 2007. A wholly owned subsidiary of the Company purchased leasehold interests in November 2007 in approximately 1,712 acres of land in the Fayetteville Shale area of Arkansas in exchange for a note with interest at 9.5% per annum.

Other income was \$274,000 for the three months ended March 31, 2008, as compared to \$65,000 for the same period in 2007. The increase was due to the collection of back interest from a mortgage bond receivable due to the sale of a property in August 2001. Because the mortgage bond was payable based on cash flow and profit of the property, the uncollected interest was not recorded until collected.

On May 9, 2008 the Company sold 4,110 acres of mineral interest leasehold rights in the Fayetteville Shale area of Arkansas to an unrelated third party. The sale of these interests resulted in the Company receiving net cash of approximately \$16 million and recording an after tax gain of approximately \$14.5 million.

According to Gene S. Bertcher, President and Chief Executive Officer, "The Company intends to continue to pursue opportunities to acquire existing oil and gas operations and or acquire mineral leasehold rights for the purpose of developing oil and gas operations in the future."
